**Using These Cards**

These are all standard *Munchkin* Door cards; you can just shuffle them right into your deck. (If you're just using the main *Munchkin* set, you may want to leave out one of the new . . . **And Its Little Friends** cards and the "Enhancer Enhancers," to keep things from getting *too* crazy. Unless you like crazy. We won't judge you.)

## Some History

Most of these cards originally appeared in a set called *More Good Cards*, which was a sort of fantasy-only “Best of *Blender*” expansion. When we fantasy-ified *Blender*, *More Good Cards* became redundant . . . but there were over a dozen new cards written for that set that we thought should be preserved. Here they are.

The two Curses, **Lead Paint** and **Warranty Expires**, have also been reprinted in *Marked for Death*. They were originally misprinted in *More Good Cards*, so we’re trying to make them available in several different places so as many people can get the replacements as possible.

We ended up short a couple of cards to fill the booster, so we created two new cards, **Ultimate** and **Hollywood**, exclusively for this set.

## MORE MUNCHKIN!

*Munchkin* comes in lots of flavors! You can get classic fantasy, sci-fi, silly horror, superheroes, pirates, cowboys, kung-fu, spies . . . and they’re all compatible!
