Some of you have been very naughty . . .
We think that's nice."
– The Asylum Street Spankers,
A Christmas Spanking

This expansion can be used with just
the Munchkin core set, or with as many
expansions as you like. However, the more
cards you use, the more you dilute the special
interactions in this set (especially the Santa
monsters) . . . although if you’re using the other
three Christmas boosters (Waiting for Santa,
Santa’s Revenge, and Reindeer Games), you
may see more Santa monsters than you want!
But think of all the Christmas treasures . . .

If you want to improve your chances of
seeing the special cards from this expansion,
leave them out of each deck while you shuffle
the rest of the cards. When you are done, take
the top inch or so of cards from the Door deck,
shuffle the Naughtly & Nice Door cards into
that stack, and replace it on top of the Door
deck. Do the same with the Treasure cards.
Santa, Santa Everywhere

All the monsters in this set are “Santa” monsters. Whenever a Santa monster is in a combat, any player may play another Santa monster to help it without using a Wandering Monster card.

If you own Unnatural Axe, then Santa from that set is also a Santa monster (duh). You can pull Santa out of your Unnatural Axe set and add him to this one if you want (we think you should), whether or not you use the rest of Unnatural Axe.

Naughty and Nice

These two Door cards work like Classes or Races. You may play them at any time, and you may discard them whenever you want. However, cards that affect Classes or Races do not affect Naughty and Nice. Otherwise, follow the rules on the card. Yes, you can be Naughty and Nice at the same time – you’re a munchkin, after all!

MORE MUNCHKIN!

Munchkin comes in lots of flavors! You can get classic fantasy, sci-fi, silly horror, superheroes, pirates, cowboys, kung-fu, spies, and zombies . . . and they’re all compatible!
