TRULY GOBNOXIOUS™

We had thought, after wracking our brains for goblin puns in *Munchkin Pathfinder* and *Munchkin Pathfinder: Gobsmacked!*, that there was no way to write even more of those puns.

We were wrong. You're welcome.

This booster has 15 more cards for *Munchkin Pathfinder* (or any set that uses the “classic” brown *Munchkin* backs). You do not need *Gobsmacked!* to use the cards in this booster, but you should get it anyway because it's awesome.

If you're mixing these cards into a non-*Pathfinder* set, all you need to know is that Goblin monsters can stack, just like Undead.
