The dungeon personnel clerk looked bored as she took down the party’s stats. “And you are . . .” she drawled.

“A Dark Draf . . .”

“Of course you are. How about you?”

“A High Halfling.”

“No chewing on the furniture. What about you?”

“A Master Warrior.”

Sighing, the clerk closed her book. “Please stand over there, on the big black X, while I read you the Three Rules. Rule One: Do not feed the trolls. Rule Two: You don’t have to outrun the monsters; you just have to outrun your friends. And Rule Three . . .” Her voice trailed off as she stepped back behind her desk.

As the door slammed shut in front of the party and the rumbling started above them, they heard her shout: “Rocks fall, everyone dies!”

**Munchkin Reloaded!**

adds Race and Class Enhancers (and a few other cards) to **Munchkin**. There are three types of cards, and three of each type: **Dark** and **High** are Race Enhancers, and **Master** is a Class Enhancer. If you are playing just with the base game, we suggest only adding one or two of each of these cards.

You may not use multiple cards with the same name, even if you have more than one Race or Class to put them on, but you can certainly be a Dark High character if you want!

This set also includes four **Reloaded Die** cards, and you may put as many of these in as you like! (Those of you who are playing with a very full deck may want to mix in two or even three copies of this booster . . .)

**Full disclosure:** The cards in this booster were originally published as part of the **Munchkin Dice** set, and apart from adding a Gold Piece value to the **Reloaded Die**, we have not changed them except to color the art.
