

MUNCHKIN[®]

TAKEN FOR GRANITE[™]

These rocks are on a roll!

Munchkin Taken for Granite combines a ton of earth and a pebble of magic into a legion of the weirdest, wackiest constructs you've ever seen!

Run from the **Sock Golem**, have a drink with the **Calcium Golem**, and chill out with the **Frost Golem**. Watch out, though, because even non-Golem monsters can become **Hard as a Rock**, so you'll need your **Hard Hat** and an **Automatic Chisel** to really **Break the Mold**.
